About the book

The completion of the first 100 days in office of any leader is an important milestone and an opportunity for political analysts and commentators to evaluate the leader's achievements as well as to project ahead.

Join author Oon Yeoh and his guest writers as they assess Najib Razak's performance as prime minister during his first 100 days. Expect plenty of fireworks in this no-holds-barred discussion by panelists from all across the political spectrum.

About the Author

Oon Yeoh is editor for New Media at *The Edge Malaysia*. He edited *Tipping Points*, the first book released about the March 8, 2008 political tsunami. He was previously deputy news editor at *The Sun* and former associate editor at *The Edge Singapore*.
